

UNIT 1: MY FRIENDS

My name is Nam. I'm from Vietnam. I'm 10 years old now. I have many friends. They are from different countries.

I have a friend. His name is Tom. He's from Thailand. Thailand is a country in Southeast Asia. They have tasty food like pad Thai!

I also have a friend named Yuki. He's from Japan. Japan is in East Asia, and they have beautiful cherry blossoms.

My friend Sarah is from Britain. Britain is in Europe. They speak English there.

Lastly, I have a friend named Emily. She's from America. America is a big country in North America. They have famous cities like New York.

It's great to have friends from different countries.

We learn about their cultures and have fun together.

Answer these questions.

1. How old is Nam? Where is he from?

2. Where is Yuki from? What special thing is mentioned about Japan?

3. Who is from Britain, and what language is spoken there?

Circle True or False for the statements below.

1. Nam is from Japan.

2. Tom is from Thailand, a country in Southeast Asia.

3. Emily is from America, and one of its famous cities is New York.

4. Britain is in Europe, and people there speak French.

5. It's boring to have friends from different countries.

UNIT 3: MY WEEK

I often do housework to help my mom on Mondays. I clean my room and set the table for dinner. It's important to help our families with chores. I listen to music and dance in my room on Tuesdays. Music makes me feel happy, and dancing is so much fun! I love moving to my favorite songs. On Wednesdays, I go to school and learn with my friends. We learn new things in math, reading, and science. It's exciting to learn and grow together with my classmates. On Thursdays, after school, I usually play with my friends at the park. We run, laugh, and play on the swings and slides. It is a great time enjoying the fresh air and having fun together. I have a special art class on each Friday. I paint a beautiful picture with bright colors. Art allows me to be creative and express myself in different ways. On Saturdays and Sundays, I have free time to relax and play. I read my favorite books, play games with my family, and go for a bike ride. Weekends are a time to have fun and enjoy activities we love.

Answer these questions.

1. What do you do on Mondays to help your mom?

2. Why do you listen to music and dance on Tuesdays?

3. What subjects do you learn at school on Wednesdays?

4. What do you do on Thursdays after school?

Fill in the blanks.

1. On _____, I go to school and learn with my friends.
2. On _____, after school, I usually play with my friends at the park.
3. I have a special art class on each _____.
4. On _____, I have free time to relax and play.
5. _____ are a time to have fun and enjoy activities we love.

UNIT 4: MY BIRTHDAY PARTY

My birthday is in June. And on my birthday, I want to have a fantastic party. In June, the weather is warm and sunny, perfect for a birthday celebration. For my party, I want to have delicious snacks like chips and grapes. They're so tasty!

I'll decorate the party with colorful balloons, streamers, and a big birthday banner. It will look festive and fun. The cake will be extra special. I love strawberry jam, so I want a cake with a yummy jam filling. I'll also have refreshing drinks like fruit juice, lemonade, or water. I'll invite all our friends to the party. We'll play games, dance, and have a great time together. At the end of the party, we'll take a nice photo together and I'll say thank you to all friends.

That will be my birthday party in June with delicious snacks, a jam-filled cake, colorful decorations, and lots of fun with friends.

Answer these questions.

1. When is your birthday?

2. What delicious snacks do you want for your party?

3. What refreshing drinks do you want to have at the party?

4. What will you do at the end of the party?

Choose the correct answer to fill in the blanks.

1. In _____, the weather is warm and sunny.
a. April b. June c. May
2. I love strawberry jam, so I want a _____ with a yummy jam filling.
a. cake b. bike c. banana
3. We'll _____, dance, and have a great time together.
a. sleep b. sing c. play game

UNIT 5: THINGS WE CAN DO

We all have special abilities and talents that make us unique.

I can wash the dishes and set the table but I cannot cook. Cooking requires practice and guidance from adults.

I can draw and create beautiful pictures. Using colors and my imagination, I can make amazing artwork.

I also can play the guitar but I cannot sing well.

I can ride a bike and explore my neighborhood. It's exciting to pedal and feel the wind in my hair.

I can roller skate but I'm not very good at it. It's so much fun to practice skating and learning new tricks.

I can swim and enjoy the water. Learning to swim keeps me safe and lets me have fun in the pool or at the beach.

Remember, we all have different talents, and that's what makes us unique and special.

Read and answer these questions.

1. Name two things you can do to help at home.

2. Can you roller skate? Are you good at it?

3. What skill can you practice and have fun with in the pool or at the beach?

Circle True or False for the statements below.

1. I cannot draw or create beautiful pictures.

2. Riding a bike is not an exciting experience for me.

3. I can sing well while playing the guitar.

4. I can ride a bike and explore my neighborhood.

5. Swimming is a skill that helps me have fun in the pool
or at the beach.

UNIT 6: OUR SCHOOL FACILITIES

We have some amazing places in our school that make learning and playing so much fun.

Our school is located in a charming village. There are three buildings with many classrooms.

Inside our school, there is a computer room. It's a special place filled with computers that help us explore the world of technology and learn new skills. We also have a lovely garden. It's a green space where we can see colorful flowers, plants, and maybe even grow our own vegetables.

And, of course, there is a playground! The playground is a fantastic place to run, play games, swing on the swings, and slide down the slides. It's where we can have fun and exercise during our breaks.

In our school, we have all these wonderful facilities that make our learning much greater and make our time here enjoyable.

School is the place where we learn, explore, and have fun together.

Read and answer these questions.

1. Where is your school?

2. How many buildings does your school have?

3. What can you do in the playground at your school?

Matching.

A. Playground

B. School

C. Garden

1. We can see colorful flowers, plants, and maybe even grow our own vegetables.

2. It's where we can have fun and exercise during our breaks.

3. The place where we learn, explore, and have fun together.

UNIT 7: OUR TIMETABLES

This is my school timetable.

On Mondays, I start the day with English class. We learn how to read stories, write sentences, and improve our speaking skills. I really enjoy learning English.

Tuesdays are all about numbers and calculations. In math class, we learn addition, subtraction, and multiplication. It's like solving puzzles, and I feel like a little mathematician!

Wednesdays are my favorite days because I have art class! I get to be creative and draw beautiful pictures. We also work with colors and create amazing crafts. It's so much fun!

I have music class on Thursdays. We learn different songs, play musical instruments like the xylophone and piano, and sometimes we have mini concerts. I love singing and making music!

On Fridays, I have science. We explore nature, learn about animals, plants, and have fun experiments.

Read and answer these questions.

1. What subjects do you have on Mondays?

2. When do you have art class? What can you do on these days?

3. When do you have music class? What do you learn in this class?

Matching.

A. Science

B. Math

C. English

D. Music

1. We learn how to read stories, write sentences, and improve our speaking skills.

2. We learn addition, subtraction, and multiplication.

3. We explore nature, learn about animals, plants, and have fun experiments.

UNIT 8: MY FAVORITE SUBJECTS

There are many interesting subjects that we'll learn in this school year. Some of us like PE. PE is all about playing sports and staying active. It's fun to run, jump, and play games with our friends. PE keeps us fit and healthy. I like IT. In IT class, we learn about computers and technology. We explore cool apps and even do some coding. IT helps us understand the digital world we live in.

In English class, we read, write, and speak in English. It's exciting to read stories, write our own pieces, and talk in English. English helps us communicate with people from different places.

Art is also one of my favorite subject because I get to be creative and make beautiful paintings. Art lets us show our imagination and feelings.

Math is all about numbers, shapes, and problem-solving. We solve puzzles and find solutions. Math helps us think logically.

Whether it's PE, IT, English, art, or math, we all have different reasons for loving our favorite subjects. They make learning fun and enjoyable.

Answer these questions.

1. Why do you like PE?

2. Why do you like IT class?

3. What subjects help us think logically?

Choose the correct answer to fill in the blanks.

1. _____ helps us communicate with people from different places.

- a. IT b. Math c. English

2. _____ lets us show our imagination and feelings.

- a. Art b. PE c. Science

3. _____ is all about numbers, shapes, and problem-solving.

- a. Art b. Math c. English

UNIT 9: OUR SPORTS DAY

Nói Tiếng Anh Như Gió

Our school sports day is held on September 6th every year. All the students of the school come together to take part in different sports and activities. It's a day filled with teamwork, competition, and lots of cheering! We start the day with an exciting opening ceremony. We gather in the school field. We also do a warm-up exercise to get our bodies ready for the games. Then, we divide into teams with different colors. Each team has its own name and cheer. It's so much fun! We join in many sports events such as running, swimming and tug-of-war. There are also fun games like hula hoop competitions and an obstacle course. Our parents and teachers are there to cheer us on. They clap, shout, and wave colorful banners. It feels amazing to see their support and make them proud. At the end of the day, we have a closing ceremony. We receive certificates and medals to celebrate our efforts and achievements. It's a moment of pride for all of us! Sports Day is not only about physical activities; it teaches us important values like teamwork and fair play.

Read and answer these questions.

1. When's your sports day?

2. What activities do you participate in during the sports day?

3. What do parents and teachers do on sports day?

Circle True or False for the statements below.

1. The opening ceremony of the sports day takes place in the school gym.

2. Teams are divided based on age groups during the sports day.

3. Each team has its own name and cheer.

4. Parents and teachers are not present during the sports day.

UNIT 10: OUR SUMMER HOLIDAY

I had an amazing time exploring different places last summer. During my summer holiday, I visited various places and had a great time. I went to the beach, camped at a beautiful campsite, explored the countryside, and even visited the busy city of London. At the beach, I built sandcastles, played in the waves, and collected seashells. It was so much fun!

Camping was a great adventure. I slept in a tent, roasted marshmallows, and told stories by the campfire. I loved exploring the peaceful countryside. I rode a bike, had picnics, and enjoyed the beautiful nature. In London, I saw famous landmarks like Big Ben, rode the London Eye, and visited interesting museums.

Overall, my summer holiday was a mix of beach fun, camping adventures, countryside exploration, and city excitement.

Answer these questions.

1. Where were you last summer?

2. What activities did you do at the beach?

3. Name at least two famous landmarks that you saw in London.

4. What did you do at the campsite's campfire?

5. What were some activities you enjoyed in the countryside?

6. How did you feel about your holiday?
